gdefillipo@hcc.mass.edu

E-Institute: <http://webtide.hccdl.org> Courses in red are not available online.

The Nutrition Program at HCC is a transfer program for articulation with the University of Massachusetts at Amherst. Upon completion of your Bachelor's of Science in Nutrition at UMass, you may become a Massachusetts State Licensed Dietitian/Nutritionist (LDN) as well as be American Dietetic Association (ADA) Internship eligible. Upon completion of a one-year ADA internship, you may become a Registered Dietitian (RD). RD's are licensed to work in all fields of Nutrition and in any U.S. state.

| Term/Grade                            | Course Number | Course Name                       | Course Credits |
|---------------------------------------|---------------|-----------------------------------|----------------|
| <b>GENERAL EDUCATION REQUIREMENTS</b> |               |                                   | <b>20</b>      |
| _____                                 | ENG 101       | Language and Literature I         | 3              |
| _____                                 | ENG 102       | Language and Literature II        | 3              |
| _____                                 | BIO 100       | Introduction to Cell Function (D) | 4              |
| _____                                 | BIO 111       | Human Biology (D)                 | 4              |
| _____                                 | PSY 110       | Introduction to Psychology        | 3              |
| _____                                 | ANT 101       | Cultural Anthropology             | 3              |
| <b>PROGRAM REQUIREMENTS</b>           |               |                                   | <b>41</b>      |
| _____                                 | NTR 101       | Introduction to Nutrition         | 3              |
| _____                                 | CHM 113       | Principles of Chemistry I (D)     | 4              |
| _____                                 | CHM 114       | Principles of Chemistry II (D)    | 4              |
| _____                                 | CHM 221       | Organic Chemistry I (D)           | 4              |
| _____                                 | CHM 222       | Organic Chemistry II (D)          | 4              |
| _____                                 | MTH 142       | Statistics (D)                    | 3              |
| _____                                 | HCA 130       | Food Production Management        | 4              |
